# TRIDENT SAFETY GROUP AND YOU

---

**Trident Safety** is a market leader in providing Dangerous Goods training and consulting services. Our mission is to provide expert solutions to meet all your regulatory requirements.

**T** Trident Industrial Safety Limited is a wholly owned Irish company established in 1990 and we have been delivering Dangerous Goods training courses for the last 18 years across all three major transport modes. Trident Safety has been involved with serving shippers, carriers and receivers of Dangerous Goods for over 25 years.

Over that time, Trident supported its clients with deep knowledge support in the form of Approved Training and Consultancy Services.

We believe that Effective Dangerous Goods (DG) management requires thorough knowledge of complex regulatory environments and solid experience in this detailed field of expertise.

Trident continues to be the preferred company to many national and international clients, a record of which we are extremely proud.

# DANGEROUS GOODS SAFETY ADVISER

Many companies involved in the transport of Dangerous Goods have a legal obligation to appoint a Dangerous Goods Adviser.

This legislation applies to shippers, hauliers, forwarders, integrators and others involved with Dangerous Goods.

The functions of a **DGSA** (Dangerous Goods Safety Adviser) is to monitor and advise on compliance, in regard to the rules, concerning the transportation of Dangerous Goods and the preparation of an annual report.

Trident's DGSA course aims to prepare delegates, to sit the detailed and time constrained Dangerous Goods Safety Adviser examination.

Dangerous Goods Safety Advisers must have successfully passed a national examination, delivered by the Chartered Institute of Logistics and Transport Ireland (CILT).

## TRAINING PROGRAMME

Our DGSA course is set over **five full days**. Four consecutive days cover the main body of the course and the 5th day is reserved for pre-test examination, questions and answers. The cost of the course is **€1500.00** per person. Delegates will require the current ADR Regulation Volume I & II as part of the course literature, to sit the course and the examination.

1	DAY 1	General Information Introduction to ADR format	Classification of mixtures and solutions Identification procedures
2	DAY 2	Recap Day 1 Excepted Quantities Limited Quantities	Labelling and marking Documentation Questions and answers
3	DAY 3	Recap Day 2 ADR Volume II	
4	DAY 4	Recap Day 3 ADR Volume II Review of examination techniques	
5	DAY 5	Recap Day 4 Mock Examinations (Core, Classes, Mode) "Questions and answers" session	

The State Examination consists of three papers; **The Core, Mode and Classes papers**. Delegates must pass all three papers to qualify as a DGSA. The DGSA Exam is an open book examination. The Qualification is valid for five years.
